

Donating skills, services and resources to CCM

Share your skills

Our enquiring students in CCM's lifelong learning academy thrive on meeting and learning from people from different professions! We are actively seeking:

- Musicians to talk about and demonstrate their instrument in our Music classes.
- Creatives to share their inspiration and business development with Creative Arts and Enterprise students.
- Professionals to be interviewed about their roles by students developing employability skills.

Gift your services

Maintaining Mencap Centre and our minibus is always a significant cost and we have to be prepared for both planned work and emergency repairs! Our needs include (but are not limited to):

- Minor, 'handyperson', repairs.
- Trades, including plumbing, tiling and carpentry.
- Secure storage facilities, for resources.

Donate resources

We need a wide range of resources to support our classes and projects. Here are just a few:

- Vegetable seedlings, for gardening students to nurture.
- Homegrown fruit, to make into chutneys and jams.
- Craft items, such as wool, felt, ribbon and card blanks, for use in our Creative Art classes.
- Seasoned wood, for construction classes.

Our Amazon Wishlist is also an easy way to donate vital care and learning resources: <https://amzn.eu/b00jd6x>

To offer a donation, please email info@cityofchelmsfordmencap.co.uk
